

NORTHWESTERN REGIONAL AWARDS & RECOGNITION GUIDELINES 2002

Every year, regional awards are given to chapters for outstanding leadership and superior completion of the chapter standards. Every chapter is eligible to win a regional award. All your chapter has to do is submit an application for one or more of the awards listed. Unless included in this packet, an application consists of a copy of the *Chapter Activity & Budget Summary Sheet* (from the yearbook packet), a brief summary describing the specific project and why the chapter should win an award, and *supporting materials* such as pictures, flyers, articles, invitations, and symbols of recognition. All supporting materials will be returned at the Regional Conference.

Regional Student Leader of the Year Advisor of the Year

Materials for these awards are included in this packet.

Best Community Service Project (Regional Level) Best Academic Project (Regional Level) Best Newsletter (Regional Level)

Complete these awards now and you will have less to do when you submit your yearbook!

Most Improved Chapter (Regional Level) New Advisor of the Year

These awards are based on the regional director's observations of each chapter throughout the course of the year. As such, no separate application is required.

Fall CONCEPTS Submissions

All chapters that submitted CONCEPTS articles in the fall will be recognized.

Best Chapter Web Site

Make sure that your chapter web site is linked to the International Headquarters site.

Best Regional Cheer

After two years of our region's existence, we still need a cheer! Come up with one and your chapter can be etched in history! (Must be able to demonstrate the cheer at the Conference).

Note: If your chapter would like to be considered for the *Best Website Award* and/or the *Best Regional Cheer*, please circle the applicable awards and return this form by February 20, 2002 to:
