Re: **2002 Regional Conference Workshop/Awards Packet**

You have been chosen from a select few to attend this year's Northwestern regional conference, "Cruising to Success." Your destination is San Jose, California. Your mission, should you decide to accept it, is to participate in this year's regional conference by presenting workshops and applying for awards. Highlights for this mission are presented below:

- *Assist others.* **Present a workshop.** Share insights with other chapter leaders. Some experience is necessary. An outline of the presentation will be given to you upon request.
- *Serve others.* Apply to be the region's next great representative. Both the **Regional Student Representative (RSR)** and the **Academic Coordinator (AC)** positions are open.
- *Recognize others.* Know of a great Golden Key officer, member, or advisor? Have they done great things for the organization? Have YOU been a tremendous asset to the chapter? Apply or nominate someone for the **Regional Student Leader Award** and the **Advisor of the Year Award**.
- *Boast about yourself/chapter.* What better way than to proudly display an award at your information table, in your yearbook, or on your wall! Finalize the success that you've already achieved. Awards such as the **Best Service Project** and **Best Website** are fully described in this packet.

This letter will not self-destruct, unless you decide to throw it away. Read the following pages to ensure complete accuracy. Be sure to adhere to all the terms and conditions below.
